

MISSION: AIA California, in collaboration with local components, is dedicated to serving its members, advancing the value of architects, and improving the quality of the built environment.

GOAL #1: MEMBERSHIP

Develop the next generation of leaders in the profession, and engage members to create an architectural community.

GOAL #2: ADVOCACY

Represent the profession before the State Legislature and California regulatory agencies, boards and commissions; and cultivate a strong political base for architects.

GOAL #3: LICENSURE

Promote licensed architects as valued members of the design, construction, and planning team.

GOAL #4: PRACTICE

Prepare architects to sustainably and successfully practice into the future.

GOAL #5: ENVIRONMENT

Position the profession as the credible voice for design in the built environment.

MISSION: AIA California, in collaboration with local components, is dedicated to serving its members, advancing the value of architects, and improving the quality of the built environment.

BEHIND THE SCENES

MDC On the Road: This year, like most every other event, the premiere architect's gathering in the west, Monterey Design Conference, is virtual. What does this mean? The speakers are taking you on the road, into their spaces to talk about the design process. One thing we can promise: Whether from your sofa or from your office chair, the conference will inspire.
